Proceedings of the 9th Ordinary Meeting Badiadka
Panchayat, Peradala.

Dated: 15-10-55.

Resolutions: Formation of seperate Karnataka State
as recommended by the State Reorganisation Commission.

While welcoming the recommendations
of the S.R.C. for the formation of a seperate Karnataka
State this Panchayat regrets very much for the injustice
done to lakhs of Karnadigas by their proposals to include
entire Kasaragod Taluk in South Kanara District to Kerala
State and the three Taluks Bellary, Hospet and Ciraguppa
to the Andhra State. This Panchayat records its emphatic
protest for the above proposal. The commission observes
that the people to the north of Chandragiri river in
Kasaragod Taluk are opposed to their inclusion in the
Kerala State. Still its recommendations to include the
entire Kasaragod Taluk particularly the north portion
of Chandragiri river in the Kerala State is not sub-
stantiated by any material evidence. Hence this Panchayat
unanimously requests the authorities concerned to
rectify the injustice so caused by including the northern
portion of Chandragiri river in Kasaragod Taluk in the
Karnataka State and by retaining the three taluks of
Bellary in the Karnataka State.
